RE: Late fee assessment for the November 3, 2020 election/
2020 30-P Campaign Finance Disclosure Report

Dear Ms. Horn:

Please be advised that I have received notice of my delinquent filing and the late fee assessment in the amount of \$480.00.

Due to the pandemic, me and my treasurer suffered the loss of close family members and friends. Additionally, several members of my staff have been ill. Just recently, we have had to shut our courthouse down for the third time this year due to a number of employees becoming ill with the Covid-19 virus. It has been very stressful resetting court dates and having to figure out how to conduct hearings from home as well as me assisting my young child with virtual learning while at home.

Filing all reports timely with the Ethics Board is very important and I am not making light of my late filing. My personal issues are just that...personal. However, I am asking due to the issues as a result of the pandemic and the overall stress of 2020, the fees assessed to my committee are waived.

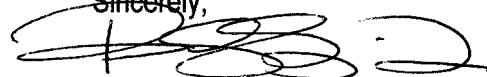

We have filed the committee's final report for this election and we have made sure to set reminders in our electronic calendars for future filings for the next election in 2026.

I apologize for any inconvenience this late filing may have caused. I can assure you that this was not an intentional failure to act on my part. It was definitely an oversight.

If you have any questions at all, please do not hesitate to contact me. I look forward to your response.

With the kindest regards, I remain

Sincerely,

Ree J. Casey-Jones
